

Corporate Sponsorship for Plymouth's Open Air Cinema 2017

I am writing to you to offer your business the chance to be involved in our **Open Air Cinema Event** in 2017. This much-loved feature on Plymouth's summer calendar visits spectacular locations across the city for a programme of offsite events through July, August and September.

Plymouth Arts Centre is a charity, but more importantly a nationally renowned centre for contemporary art, independent cinema and creative learning. We want to help make Plymouth a vibrant, cultural city and to reach out and engage with as many people as possible both in the city centre and the wider Plymouth community. Plymouth Arts Centre's Open Air Cinema event is one of the best ways that we can do this and we would like you to be involved with this year's event.

Last year our Facebook event pages reached almost 500,000 and our sell-out events saw an audience of over 3000. These are largely made up of thriving, comfortably-off families, with children of all ages still living at home*.

In the past we have shown family favourites like Dirty Dancing and Mamma Mia and this year we are really excited about our programme of films which will include; Jaws, Grease and La La Land amongst others. These iconic films will be screened at three fabulous outdoor locations - Mount Edgcumbe on the 18th and 19th August; Tinside Lido on 25th, 26th and 27th August; and Royal William Yard on 7th, 8th and 9th Sept. What could be more exciting than watching Jaws at Tinside open air pool on Plymouth's Hoe looking out from its amazing position over Plymouth's Sound!

So what are we asking for? And what's in it for you? Plymouth Arts Centre is a charity so a donation is always well received, however we believe that this is perfect event for reaching some of your potential customers. Sponsoring this event means that the money is going to a great cause as well as providing commercial awareness for your business.
